## **DETAILED ACTION**

### ***Information Disclosure Statement***

The information disclosure statements (IDS) submitted on 6/28/06 and 4/27/06 were filed after the mailing date of the Notice for Allowability on 1/27/06. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statements are being considered by the examiner.

### **Comments**

Missing Figure 4 is not detrimental to understanding the scope of the claims. A three-piece golf ball would well understood by one skilled in the art, however for formality reasons in order to avoid abandonment after Notice of Allowability, a drawing of Figure 4 should be submitted or the specification should be amended to remove reference to the drawing.

### ***Allowable Subject Matter***

Claims 3-20 are allowed.
